FIELDWORK EXPERIENCE

Fieldwork on Gitksan 2018 - present

– Semantic investigation of tense and aspect, free relatives, and degree constructions.

Fieldwork on American Sign Language 2019

– Phonological investigation of adjective intensification with a fluent Deaf signer.

ADDITIONAL RESEARCH EXPERIENCE

Copy editor for the journal *Semantics Fieldwork Methods* 2021 – 2022

– Copy-edited 12 articles in two special issues.

Research assistant to Dr. Kathleen Currie Hall

2017 – 2019, 2021 – 2022

- Designed and tested parts of a novel transcription software *Sign Language Phonetic Annotator-Analyzer*.
- Coordinator of a sign language linguistics project.
 - Developed a training module for sign language transcription.
 - Trained four undergraduate students.
- Created problem sets on sign languages for the undergraduate phonology curriculum.

Research Assistant for the Tense and Aspect in the Pacific Lab

2019 – 2021

- Organized bi-weekly meetings and created long-term agendas.

Research Assistant to Dr. Lisa Matthewson

2019 – 2021

- Glossed and archived Gitksan data from semantic fieldwork.
- Created a website for the conference *Semantics of Under-Represented Languages in the Americas (SULA)*.
